Remarks :

I'm not an Attorney neither have I studied Patent Law, again first doing a Personal Patent Search and filing a Provisional Patent Application # 60/222,300, I was reassured that my ideal was genuine and the first of it's kind. Now, being the Inventor and developing this Ideal from scratch, the new **Claims**, herein, is all related to my Invention, wherein this new information enclosed can be found in My Patent Writings.

Thank you kindly, for approving my Patent.

Most Sincere,

Mr. Bernard Vining
